This Report

Al-Zaytouna Centre is pleased to present The Palestine Strategic Report (PSR) 2022–2023, now in its 13th consecutive edition. This report provides an academic, objective and comprehensive analyses of the developments related to the Palestine issue across various dimensions. It offers up-to-date and accurate information and statistics through the end of 2023, complemented by analytical insights and forecasts.

This PSR, prepared by 12 specialized professors and researchers, consists of eight chapters that explore various aspects of the Palestinian situation. It examines the internal Palestinian scene, demographic and economic indicators, and the status of Jerusalem and its holy sites. The report also analyzes the courses of aggression, resistance and the peace process, while providing insights into the Israeli political, demographic, economic and military landscape. Furthermore, it discusses Palestinian, Arab, Islamic and international relations. Notably, Operation al-Aqsa Flood has significantly influenced the report's findings and perspectives.

The PSR has consolidated its position as an essential reference in Palestinian studies, serving as an indispensable resource that provides invaluable insights for those interested in Palestinian affairs. Al-Zaytouna Centre aspires for this PSR to make a significant qualitative contribution to the field of Palestinian studies.
